Carried gently by the wind, experience the magic of hot air ballooning.

There is no better way to start your day than with a dawn balloon flight as the world below you gradually awakens.

Typically our balloons will fly 2 x 30 minute daily flights - the first flight usually launches as the sun is rising (weather dependent) while those on the second flight jump aboard the bus for an exciting cross-country balloon chase. When the first flight lands, **DOUBLE** flight guests stay in the balloon basket.

Post first flight, **EXPRESS** guests return directly to Cairns. **CLASSIC** guests may fly on the first or second flight. Post second flight, all guests will join in the fun of helping to pack up the giant balloons before celebrating with a glass of sparkling wine and a light breakfast.

The first flight lifts off

Passengers for the second flight take chase aboard the bus

In-flight souvenir photos taken. Available to purchase on USB

First flight lands, second flight takes to the sky

Join in the fun - help to deflate and pack up the giant balloon

Celebrate with sparkling wine and a light breakfast
