Love the reef. Love the adventure.

At Sunlover Reef Cruises, we love what we do and we're passionate about where we get to do it – the magnificent Great Barrier Reef. Most of all, we love sharing that passion with you. Sunlover has been guiding guests to explore pristine areas of the Outer Barrier Reef since 1991, and we understand the role that we must play in maintaining the health of our ecosystems. As an Australian-owned company based in Cairns, we support a range of organisations and believe that conservation starts with the sharing of knowledge, and our team is excited to pass on all that we know about our patch of paradise, to you.

With a range of included activities and exclusive use of our custom-designed floating pontoon, all ages and abilities can explore and enjoy the wonders of the Great Barrier Reef.

Included activities

There's so much included in your full day Moore Reef Adventure, our most popular activity **snorkelling** is just the start!

Swimmers of all abilities can experience the wonders of the Reef with our included snorkelling activities or stay dry with our **semi-submersible** and **glass bottom boat** tours. Young kids can have fun in our **enclosed ocean pool** and Sunlover's floating pontoon is home to the only **waterslide** on the Great Barrier Reef. Swirling 8 metres down from our sun deck on a 30-metre spiral into the tropical ocean, see if you can beat 110 slides in one day - that's the record!

A trained lifeguard is always on watch from an elevated lifeguard station, and there's easy entry to the water from two snorkel platforms, both of which are accessible by stairs.
